## MEMO ENDORSED

August 1, 2008

Honorable Robert P. Patterson  
United States District Judge  
500 Pearl Street  
New York, York 10007

Re: USA -v- Leobardo Cisneros  
07 Cr. 482 (RPP)

Dear Judge Patterson:

This application is with the consent of AUSA Rua Kelly. Mr. Cisneros is scheduled for sentence August 11, 2008, but as yet his PSR has not been completed. I am on vacation from August 2 through August 10, so even if the PSR is completed I will not have an opportunity to review it.

Accordingly, we request an adjournment of sentencing to a date subsequent to September 8, 2008 that is convenient to the Court.

Respectfully submitted,

Todd M. Merer

cc: AUSA Rua Kelly
